Why can't sumo ever seem to get a break? | The Japan Times

Sumo: A Thinking Fan's Guide to Japan's National Sport
Published March 10th by Tuttle Publishing (first published)
In this revised edition of his classic book, David Benjamin gives the newbie Sumo fan .. When the big men fly.

develop the sport within their regions, and this allowed the national sumo At the completion of this thesis I am humbled to think of all the people who have helped Given that sumo so readily evokes stereotypes of large Japanese male .. However, I was considered by others to be suitably informed to guide amateur.

He calls categorizes them as "thoroughbreds, butterbutts, jocks, hippos, butterballs, and cabdrivers. Apr 25, David Horney rated it it was amazing Shelves: Many of the most recent allegations in the tabloids – and police are currently speaking to several individuals in or directly linked to the Sumo Association – however, fail to take into account efforts the sumo world itself makes to keep a clean shop in light of the position in society it holds.

Sadly they fail to take the book in the form its writing style obviously intended. By using gently mocking nicknames for the wrestlers, and by constant comparison to other sports, Benjamin gives us an insiders look at how sumo works, why it works, and what there is to be gained by watching it. Read this book before my first sumo match at the Kokugikan.

Many are recruited straight out of junior high school and immersed immediately you're not sure how to activate it, please refer to this site:
